

Scholarships Available for Allied Health Care Students

www.healthywilkes.org

Beginning **March 8th**, The Health Foundation's Allied Health Care Scholarships application will be available online, at <https://www.grantinterface.com/Home/Logon?urlkey=healthfoundationincscholarship>.

These scholarships are designed to build the next generation of our medical community, and support students pursuing a degree and career in health care professions. Past awards have been made to students studying to become nurses, respiratory therapists, optometrists, radiology technologists, dental hygienists, dental assistants, and more.

Winners will receive awards of up to **\$2,000** per year. The awards are **renewable** when the student remains in academic good standing (GPA of 3.0 or higher) within their declared program of study.

The deadline for the 2021 scholarship cycle is **July 6th**.

If you have any questions or issues when applying for the scholarship, please contact Holly Norman at holly@healthywilkes.org or (336) 838-1949.
