

The Wilkes County Cruisers, Inc. is a 501c3, non-profit, charitable, local car club that has been cruising for several years. We are a 200+ member club of all ages. We have a variety of cars and trucks including, antique, street rods, classics, pro street, Muscle Cars, Rat Rods, military, motorcycles and more. You do not have to have a car to join. We are a club that continues to grow, not only in the amount members but also in the amount of love for cars/trucks, charities and fun. We are a group of people who gives, gives and gives some more...

All proceeds raised by the club through cruise-ins, food sales, special events, etc, all goes back into the community. We have several charities that are near and dear to our hearts, so we love to give back. If you're looking for a car club to join, we welcome you, and please know that you're not only joining a club but joining a large family that has nothing but love and respect for all members...

Plus we have lots of fun!!

\$500 Scholarship for Technical Careers

We are selecting one graduating senior from each Wilkes County High School, who is planning to start a career in a technical field to receive a \$500 scholarship.

Wilkes County Cruisers Scholarship Application

Selection Criteria

- Must be going into a technical career.
- A GPA of 2.0 or higher.
- Relevant technical coursework or experiment.
- Must plan to be a full-time student.

How to Apply

1. Complete the Wilkes County Cruisers Scholarship application
2. Attach a transcript.
3. Attach one reference from a CTE teacher and one other reference (limited to CTE teachers, school officials, and professional supervisors; can not be relatives or friends).
4. Attach a photo, so that we may recognize the winner in local media release.
5. Submit finished application to the guidance counselor by February 15, 2019. We will pick up applications from the guidance counselor.
